One informational event isn't enough for you? Come to our parent groups!

Addressing a problem with the teacher?
Expressing your opinion at parent evenings?
Dealing with language barriers?
Suggesting projects at the nursery?

It's not always that easy...

In our parent groups, we'll exchange ideas about cooperation with carers/teachers, discover opportunities for participation at daycare and school, and encourage each other, so that we can achieve the best for our children.

More information available at our informational events
(or by calling 0228-77-6473).
